Bullying behaviour is when someone keeps being mean or hurtful to others on purpose over and over again.

Please tell someone if you think that you are being bullied or someone else is being bullied.

If a student tells our staff that they think they are being bullied, we will:

1. 
   Talk with the student
2. 
   Ask the student what they want to happen
3. 
   Work out a plan together.

We want everyone at our school to feel safe and happy.
If you think you or someone is being bullied, you should tell a teacher or another trusted adult. They will know how to help.
