Update to Internet Acceptable Use Policy

Internet Acceptable Use Policy Introductory Statement

This policy was devised and formulated by the school community, involving Board of Management, parents and staff of St Brendan's National School, in accordance with the Rules and Regulations of the Department of Education and Skills and the Catholic Primary Schools Management Association.

Ethos

St Brendan's National School is a co-educational primary school, which strives to provide a well ordered, caring, happy and secure atmosphere where the intellectual, spiritual, physical, moral and cultural needs of the pupils are identified and addressed. While respect is paid to all religious and/or value systems, St Brendan's NS School is a Catholic school under the patronage of the Archbishop of Dublin.

Compliance with School Ethos

This policy complements the school ethos of nurturing potential in a caring environment where the welfare of children is paramount.

Rationale

The aim of this 'Internet Acceptable Use Policy (AUP)' is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

General

- Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.
- When using the internet pupils, parents and staff are expected to:
 - a) Treat others with respect at all times.
 - b) Not undertake any actions that may bring the school into disrepute.
 - c) Respect the right to privacy of all other members of the school community.
 - d) Respect copyright and acknowledge creators when using online content and resources.
- This Internet Acceptable Use Policy applies to pupils who have access to and are users of the internet in Rush National School.
- Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion.
- The school also reserves the right to report any illegal activities to the appropriate authorities.
- St Brendan's National School will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated Codes of Behaviour, Anti-Bullying and AntiCyber Bullying policies.

In such cases, St Brendan's National School will, where known, inform parents/guardians of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

- Should online safety incidents take place, the Principal should be informed.
- The implementation of this Internet Acceptable Use policy will be monitored by the School management team, teachers and B.O.M.

Content Filtering

- St Brendan's NS National School has chosen to implement the following level on content filtering on the Schools Broadband Network: Level 4.
 - School e mails @loughshinnyns.ie are monitored by GDK Network systems as well as the sharepoint that can also be accessed through Microsoft office which is password protected.
 - All laptops are also password protected.
 - All ipads apps are downloaded centrally through apple school manager and jamf

This level allows access to millions of websites including games and YouTube but blocks access to websites belonging to the personal websites category and websites such as Facebook belonging to the Social Networking category.

- Pupils taking steps to by-pass the content filter by using proxy sites or other means may be subject to disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion.

Annual note to parents and guardians through Aladdin

- I have already spoken to the senior classes about **Mobile phones/Smart Watches** as the Dept of Education and Skills have encouraged all schools to have a firm policy around this topic. I have told the students that mobile phones, smart watches that can send or receive messages or any smart device that can take pictures are banned during school hours or on any school trips and we hope we can rely on you supporting us with this policy. If mobile phones, smart watches or devices are switched on/used in school they will be taken from the student and parents will be requested to come and collect them for their children. All children have also been advised if they need to contact home during school hours we are happy to contact parents on their behalf, as always.

- Engaging in online activities with the intention to harm, harass, or embarrass another pupil or member of staff is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved.
- Measures are taken to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.
- Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's Code of Behaviour.
- St Brendan's National School has an 'Anti-Cyber Bullying' policy.

School Websites

- Pupils will be given the opportunity to publish projects, artwork or school work on the internet in accordance with clear policies and approval processes regarding the content that can be loaded to the school's website.
